Delivery Time of 3 - 6 weeks is normally to be expected. When Disc Brakes have been ordered as extras, another 3 - 4 weeks should be added to the normal delivery time.

Prices are quoted ex-Works, Neckarsulm. Cars can be collected from the Works without additional charge. Alternatively the car can be delivered to your local Dealer for a fee of between DM 100.-- and DM 130.--, the amount being dependant on the model and the distance, and chargeable to the Customer. All Prices quoted apply to our special purchase arrangements through NAAFI.

Financing. Information concerning H.P. agreements is available from your local NAAFI Manager or from our Sales Agents. In view of the new Exchange Control Regulations, you should plan to buy your NSU in time to be in a position to complete payments before leaving Germany.

Demonstrations and Valuations of trade-ins are arranged by our agents, BFG Car Sales Agency, whom you should contact direct through your NAAFI Manager.

All rights for changes of design, equipment, and prices reserved.
